

PPA EXECUTIVE COMMITTEE

NOMINATION FORM 2026-2028

Name of PPA member being nominated: JOHN GALE	Proposed by: Gordon Laing
PPA membership number of person being nominated: 84192 Date renewed: 2026	PPA membership number of proposer: 29206 Date renewed: March 2026
ID number of person being nominated: 680514 5062 085	ID number of proposer: 5807075108087
If you are elected to the Committee, what would you like to focus on in your 2 years of service? I am a keen road and mountain cyclist with more than 10 Cape Town Cycle Tours and 16 Cape Epics amongst numerous other races. I am a Chartered Accountant (SA) with 20 years' experience working in commerce and industry, in an SME and entrepreneurial environment. Having served as Treasurer since November 2015 I have been able to identify areas where I can add value to the reporting, planning, and financial management of the organisation. My focus during my term would be to facilitate the financial reporting and associated management systems so as to enable meaningful and effective decisions regarding PPA's strategic implementation of its key mandate to promote cycling.	Please supply a written motivation as to why this PPA member should serve on the committee. In my opinion, the PPA is very fortunate to have someone of the calibre of John Gale applying to serve on the Exco. He is an avid cyclist, familiar in both the road and mountain disciplines, as well as Chartered Accountant. John has an enquiring mind and in his time as a member of EXCO he has really interrogated the PPA strategy. These have provided fresh insights into the organisation and has certainly shifted perspectives. In his role as Treasurer he has been integral to refocussing spend and provided strong support and guidance to the management team. He has also significantly broadened his understanding in the role that cycling can play as a mode of transport and the benefits that this brings. John spends the majority of his recreational time in the saddle, exploring various parts of Cape Town on routes mostly unknown to the majority of cyclists. John has a robust financial and business mind and the mental and athletic capability to have completed every Absa Cape Epic since inception.
I hereby accept the nomination to serve on the PPA Executive Committee for two years (2026-2028):  15 September 2026.	Signature of proposer:  15 September 2026

Please note:

** Both the person being nominated and the proposer must be current PPA members in good standing. The proposer must be prepared to motivate his nomination to the Annual General Meeting if required.*

** The nomination form must be signed by both parties.*

** Nominations must reach the PPA Office on or before 21 September 2020 by 16h00. However, we urge you to **submit your nomination soonest so that the information can be uploaded to our website asap, giving our members enough time to consider Committee applications prior to the AGM.***
